Subject: Vote!

ALCON (Adults, this is):

Please remember to go vote. We have two Merit Badges that address our freedoms, rights, and obligations as Americans: Citizenship in the Community and Citizenship in the Nation. Few things will reinforce the importance of these for your children more than realizing that YOU voted.

This is not an endorsement of any position, candidate or issue, or a political message in any way. This is a "citizenship" message.

Yours,
Evan James
