**Subject:** Fwd: Veteran's flag decorating

Troop 71 was asked to place flags at the Beavercreek Veteran's Memorial park for Tuesday's program. We are unable to be present during the ceremony due to conflicts with school.... But, if you would like to help decorate on Sunday, November 9th at 5:30pm... (Before it gets too dark). Please meet at the park... Across the street from the Beavercreek Nazerene Church. Anyone can help. Just show up and make sure your ride stays for transport home... It won't take too long with many hands to help!

Thanks! Betsy Carnevale
