Our only change in plans is that we will be parking cars at Camp Birch rather than Clifton. Some of you are planning to meet at the trail rather than Scout Hut. If that is the case, please plan to be in parking lot at Camp Birch by 9:00 AM.

I do have two backpacking stoves and fuel for those Scouts who have a need/interest in using one.

Please dress appropriately and have enough water for the day (or a means of purifying water) — it is not clear that potable water is available at the lunch stop.

Bill

We never really grow up; we only learn how to act in public.

If you haven't already downloaded and filled in the Activity Consent Form, here's one already set up for the Bushwhack!

Information about Troop 71 Winter Bushwhack.

We will meet at the Scout Hut at 8:30 AM on Saturday (20 December) and depart promptly at 8:45 AM. Hikers need to bring water and lunch for the trail. We will park at the trailhead in Clifton and plan on being on the trail by 9:15 AM. The hike is approximately 10 miles over easy to moderately difficult trails along the Little Miami River in Clifton Gorge and John Bryan State Park. We should be coming off the trail by 3:30 PM and be back at the Scout Hut by 4:00 PM. Scouts should consider planning a lunch which requires the use of a light weight backpacking stove. We will have a special award for the Scout who is "Best Prepared" as well as for the Scout who prepares the "Best Lunch". All hikers must carry water and have a lunch. Scouts need to complete an Activity Form. Please let Mr. Ruck know if you are planning to attend by signing up at the Scout Hut or via e-mail (wruck@me.com) not later than Tuesday (16 December).
