See below re: U of Scouting opportunities for leadership from our new commissioner!

There is Den Chief training on the list of courses, so if any of our 1st Class or higher (or Tenderfoot, 2nd class and considering Den Chiefting) need the course, please consider taking it. Also Leave No Trace Trainer is a youth leadership role for which the adult LNT training is likely a good support.

Could you let the troop leadership know about the University of Scouting event being held this Saturday, 8:00 to 4:00 PM at the Greene County Carrier Center? District pubahs are asking us to encourage unit leadership to participate, so I'd appreciate one final announcement to them. Major theme this time will be the changes in the BSA program. More info and registration are at: <http://www.tecumsehcouncilbsa.org/Events/UniversityofScouting2015>

Thanks! Hope to see you there!

Frank
