>
> Hello Friends, Teachers, & Scouts ,
> I would like to share this family fun STEM festival with you.
> We go every year with our family and scout friends.
> Please consider passing this onto your friends & teachers...
>
> *****
> STEM:*
> TECH FEST* at Sinclair
> *Feb 14 & 15*
> /_*Free*_/ family fun; "hands-on" activities, demonstrations, etc.
> /Teacher workshops/ available until classes are full! [CEU credits]
>
> Youth and their families are invited to have free family fun with science,
> technology, engineering and math (STEM)
> Sat Feb 14 (10 am-6 pm) and
> Sun Feb 15 (11 am-5pm) in,
> Building 12 (Ponitz Center) Sinclair Community College,
> 305 W Fourth St. Dayton 45402.
>
> TechFest is focused on youth grades k-12.
> The TechFest exhibit "midway" will have approximately*70* "**hands-on**"
> interactive exhibits and demonstrations from professional societies,
> colleges and universities (Wright State University, University of Dayton,
> Sinclair Community College, and others) permanent STEM based museums
> (National Museum of USAF, Dayton History, Boonshoft, US National Parks,
> and
> others) and other local organizations related to STEM. Practicing
> professionals coach the demonstrations and are available to address
> questions about career, topics to study, college programs, and career
> experiences. This is a great opportunity to explore careers with the
> largest
> assembly of engineers and scientists in the nation for the sole purpose of
> having free family fun with STEM.
> In addition to the STEM midway, families can celebrate Engineers Week
> and

> "The International Year of Light" with experienced professionals
> Info-tainment presentations on the many kinds of light; the steps to
> inventing; Edison's lighting of the twenty-first century; fires,
> explosions
> and other cool demos related to light; building with a 3D printer; wave of
> technology, past to the future; seeing sounds; math, magic, and mystery;
> the
> waves around us; Mars: historical missions; the technology of Christopher
> Columbus, and becoming a fighter pilot.
> *FREE:*There is no charge for_admission_, no charge for_parking_,
> /door prizes are awarded, and food court is available/.
