Subject: Need Names for Addresses in Troop 71 Email Blast List

Hi,

It's Dennis Hernit from Troop 71. We're reviewing the list of subscribers to the Troop 71 E-mail Blast and need to associate a name with each of the e-mail addresses in the list. While we can guess at the owner or user of several addresses, there are quite a few that are just too cryptic.

We'll then use the information gathered to add or update data in TroopMasterWeb. At times, we'll also use the info to communicate directly with you about specific topics such as the need to renew Youth Protection Training.

Please reply to this message with the name of primary user of this e-mail address:

   troop71bsa-donotreply@yahoo.com

Let us know, too, if you're a parent or a scout.

Thank you.

Yours in Scouting

Dennis Hernit

p.s. The information we collect will not be used for any type of marketing or be made available to persons outside of Troop 71.
