Troop 71 New Scouts -

Here is the information on Summer Camp -- there are two

Option 1: Tomahawk Scout Reservation, Wisconsin. 4-11 July 2015 (3 July & 12 July are travel days), Cost \$400 - see more details [here: http://troop71.info/00-summercamp.html](http://troop71.info/00-summercamp.html)

Option 2: Camp Friedlander, near Cincinnati. 26 July - 1 August. Cost \$250 (early bird) --- due by 10 March - yes that's our next regular meeting!

Most of the Troop will be going to Tomahawk -- and we the boys to get to know other boys in the Troop that way. If cost is a concern, camperships are available where needs exist.

Rich,

I will be sending this information to Evan James and Dennis as well. I was finally able to make contact with staff at Camp Friedlander. I know this is short notice but I still hope to make this happen for those who wish to attend. I would appreciate if you can get this information out to the Troop, especially to the boys who just crossed over. If there are other boys interested in attending Susan and I would also appreciate other leaders to attend as well.

Camp Friedlander

2nd payment \$85-due March 31 meeting
