Evan:

can you send this out to the troop please

For all of the scouts that need service hours to meet the requirement for their citizenship in the community merit badge, I have set up some times. There are 2 four hour shifts since they need a total of 8 hours of non scout related service hours. If you cannot make both times let me know and I will try to find alternate hours

Date: 14 March and 21 March from 8 am to 12 pm

Location: We will be working at the John Ankeney Soccer Complex 505 South Orchard Lane, Beavercreek, Ohio 45434. we will meet at the concession stand in the middle of the complex

Uniform: The scout should wear work clothes appropriate for the weather as well as bring work gloves. We will be picking up sticks and stuff as well as putting out mulch and whatever else is needed to get the fields ready for the season
