Subject: Camp Tomahawk - News Blast #2

Dennis or Evan, Please send to Troop 71 email group. Thanks!

Hi Troop 71 Parents,

We have some deadlines for Summer Camp coming up!

1. **Payment:** The deadline for Camp Tomahawk reservations is fast approaching. Before we can register for Merit Badges, we will need at least one payment made to your scout's account. If no payment is made, we cannot register your scout for his merit badge choices. Due to Spring Break and no regular meeting on 7 Apr 15 there are a limited number of regular scout meetings before the first formal payment to Camp Tomahawk is made. Request at least one payment be made to Stan NLT Tuesday, 24 Mar 15. This locks in a \$25 nonrefundable registration. Payments received after this date will incur a \$10 late fee and will delay merit badge sign-ups. Thanks for your help on this one!

2. **Sign-Up:** We need a final count on who is going as this determines our final travel arrangements (vans) and also our camping arrangements on the way up and back. We can still accept Camp Tomahawk sign-ups so just let us know if you would like to be added!

3. **Medical Forms-** Spring break is coming up and it would be a great time to get youth physicals taken care of for camp. Med forms need to be valid through the end of camp, July 13th. Just a note, parents that attend camp will also need a current physical. The new medical form is posted to the Troop 71 Camp Tomahawk link.

4. **Adventure Programs:** Everyone who signed up received their first choice! The AM and PM Explore programs are now full, but there are still limited slots available for Ride, Treks, and Aquatics.

Let us know your questions.

Thanks

Kyle and Ann Lundberg
