Subject: 2015 Awards

All

All awards nominations are due this Thursday, 8 April 2015, at Round Table. I will be at the PLC on Tuesday to collect all outstanding nominations so that we can get them turned in on time. Our scouts, venturers, and adults deserve to be recognized for their efforts, so please consider nominating deserving folks. You may know some deserving folks from other units and you may also nominate them. If you don't have the proper forms just submit the names, award nominated for, and some rationale and I will put it on the proper form and deliver it. You can also respond to me by E-mail at ray.blowers@donet.com .

Thanks
