**Subject:** Stuff: Troop Meeting Tonight at Aley Church, 7PM--AND--5-mileHike this weekend, 18-19 Apr (Sat-Sun)

All,

It's been a while since we've had a troop meeting, and I've challenged the SPL and his PLC to move as much of our meetings outside at Aley and other locales. So, please BE PREPARED to be outside for at least part of any meeting. Rain won't necessarily drive us inside, as the troop is "large", and effective Scouting is hard to do when crammed into an enclosed space. So, uniform shirt over a t-shirt (so we can shed the uniform shirt if an activity is particularly muddy?), bring a jacket appropriate to the weather forecast, and ideally a water bottle, pocketknife, etc (Scouting 10 Essentials).

Also, the Flower Power fundraiser ends tonight, 4/14. If your scout can't be there to hand off order forms and payment, then please make arrangements with Anita James to do so in the near future.

See you tonight!

Evan James
