Subject: Fwd: Rummage Sale

Some updates for the Rummage Sale upcoming this weekend!

We have 9 slots that need filled but only 6 parents on the list that have not signed up to work. Double shifts are welcome!

We need to have 4 people each shift to ensure 2 parents at each station to handle writing down item cost and taking monies. Also, if anyone has plastic bags to put the items sold in, we could use those.

The boys will be setting up the clothes racks on Tuesday night. They will be set up down by the pavilion. We will not be setting up the big tents!! The pavilion provides larger space, and is anchored to the ground in case of wind...

Everything will be inside the hut or under the pavilion.

Thank You,
Donna Day
