Troop 71: Boys are needed in Class A uniform to help pass out flags and programs to the Beaver creek Community on May 25th for the Memorial Day Service. Arrive at 1:00pm the corner of North Fairfield Rd and Fairwood Dr...across the street from the Beaver creek Church of the Nazarene. The ceremony starts at 2pm. In the past, they have asked us to help with the flag ceremony as well, so come prepared to serve just in case! You will be awarded service hours at this event. Families are welcome to stay and attend the program. Brining a water bottle, and wearing sunscreen may be a good idea!

Anyone wanting to help place the decorative flags on the grounds can meet us on Saturday morning at 8:30am this usually only takes at most 15 minutes. If you are unable to attend the Dayton service that morning, but want to help somewhere, Meet us Saturday morning on the 23rd. at 8:30am

Any questions...Please contact
