All see below.

Names I have on a signup sheet for this:
Aiken/Sanford, Mattamannax2, Pingleton, Kraft, Hillx3, Jamesx2?

I would appreciate confirmation from a parent that these names are still planning to participate. We have eight canoes assigned, for 16 people. I think we could put an extra in a couple canoes to assist with pulling on stuff in the river.

If swim test is required, email me and I'll try to coordinate one. No promises.

Thanks,
Evan James

Last Call - Little Miami River Clean-Up

This is an annual large scale volunteer effort run by the Little Miami River Kleeners (LMRK). Many individuals and organizations participate in this effort to keep our Little Miami River clean. It is a combined effort of "canoes on the river" and "walking along the banks". This year, Troop 71 has volunteered to take the section of the river from Route 68 bridge to Fairgrounds Road bridge.

Saturday morning, June 6, 2015:

7:30 meet at the Scout Hut

7:40 depart Scout Hut for intersection of Rt 68 & Little Miami River

8:00 meet at launch site for distribution of supplies & safety briefing

11:30 appreciation picnic @ Bellbrook Park, downtown Bellbrook

Notes:

-Must be able to swim! If a Scout is attending without a parent, the Scout must have passed the BSA swim test within the last year as a "Swimmer". If a Scout has not had the swim test within the last year or did not achieve "Swimmer", a parent must participate with the Scout.

- Both the BSA Activity Consent Form & Little Miami River Cleanup Liability Form must be signed. Forms will be available at the Scout Hut and at the launch site.

-2 people per canoe

-No siblings 10 & under
