Hello,                   We have lost another Troop 71 leader.  
In today's DDN obituaries: Donn passed away this past Sunday.  
He was a very active leader back when I was Scoutmaster.  
He and Ralph Neiter started the "New Boy" patrol and ran that for a few years.  
His son, David, an Eagle Scout, was in patrol with my son, Brian.  
A memorial service will be at Kirkmont at 11:00 AM this Friday.  
Please pass this on to our troop distribution.  
Rich, please FW to our lunch group and any others of our vintage for which you have an address.  
DoN
