All

Since today is a holiday and at the request of the scoutmaster, we are canceling the September Committee Meeting that was scheduled for tonight. There are several upcoming events that will happen before the Oct 2015 Committee Meeting so more to follow. I will be out of town from Wednesday for two weeks. Thanks

Ray,

Monday is Labor Day, no school. I don't intend to be there, and wondered if you were cancelling since we did Fam Camp last weekend?
