All,

If you're planning to or thinking about going to Philmont next June, Irv has invited us to tag along with the Crew on their practice hike. See his email below for details and let me know if you can go by the 13th troop meeting so we can plan food.

We will meet at Germantown Metro Park after lunch about 1:00 ready to hike. We will do the 7 mile loop and then go to Possum Creek to camp for the night which is a short drive. We will eat supper there. Breakfast may be there or on the trail again at Germantown for another loop. We will be done before lunch on Sunday.

The plan Saturday night is to go over gear and to talk about the Philmont way of doing things. Bring any backpacking gear you may have but I wouldn't buy anything until after our discussion on Saturday. Regular camping gear will be fine for this tune up. Hopefully everyone can learn from my mistakes and save themselves some money on gear.

Thanks,

Irv

Don't forget to promote the Philmont tune up on October the 17th and 18th.

I will not be at the meeting tonight but probably come sometime before the tune up.

Thanks,
