Evan,

Please forward to the Troop.

Thanks,

Anita

All,

If you have First Aid Kits out please bring payment to the Troop meeting. If you do not plan to sell what you have left please bring them to the Troop meeting. If you plan to continue to sell the kits please let me know how many you still have and when you plan to turn in the final payment. If you haven't sold any kits but would like to see me at the Troop meeting.

Thanks,

Anita James

P.S. These would make nice stocking stuffers for young drivers or even Thank you gifts for coaches etc.
