Evan,

Please forward to the Troop.

Anita

All,

Anyone that is a merit badge counselor needs to have an updated counselor application completed. I will have them with me at the Troop meeting. I also need a copy of your Youth Protection Training certificate and an adult membership application completed. If you are already a registered member and have kept your Youth Protection up to date I will not need a new membership form. If your Youth Protection has lapsed, I may need to have a new membership form depending on the position held.

I will be at the Scout hut tomorrow night. I may not be in the parent meeting but at my car handling First Aid Kits. Please see me if you are a counselor before you leave the meeting. I would like to get this paperwork completed.

Thanks,

Anita James
